Renewable Paradigm

Doubling of renewables required to meet RET Target by 2020

LREC price rising and renewables cost falling²

Why are we doing this?

Leaders

Hedging

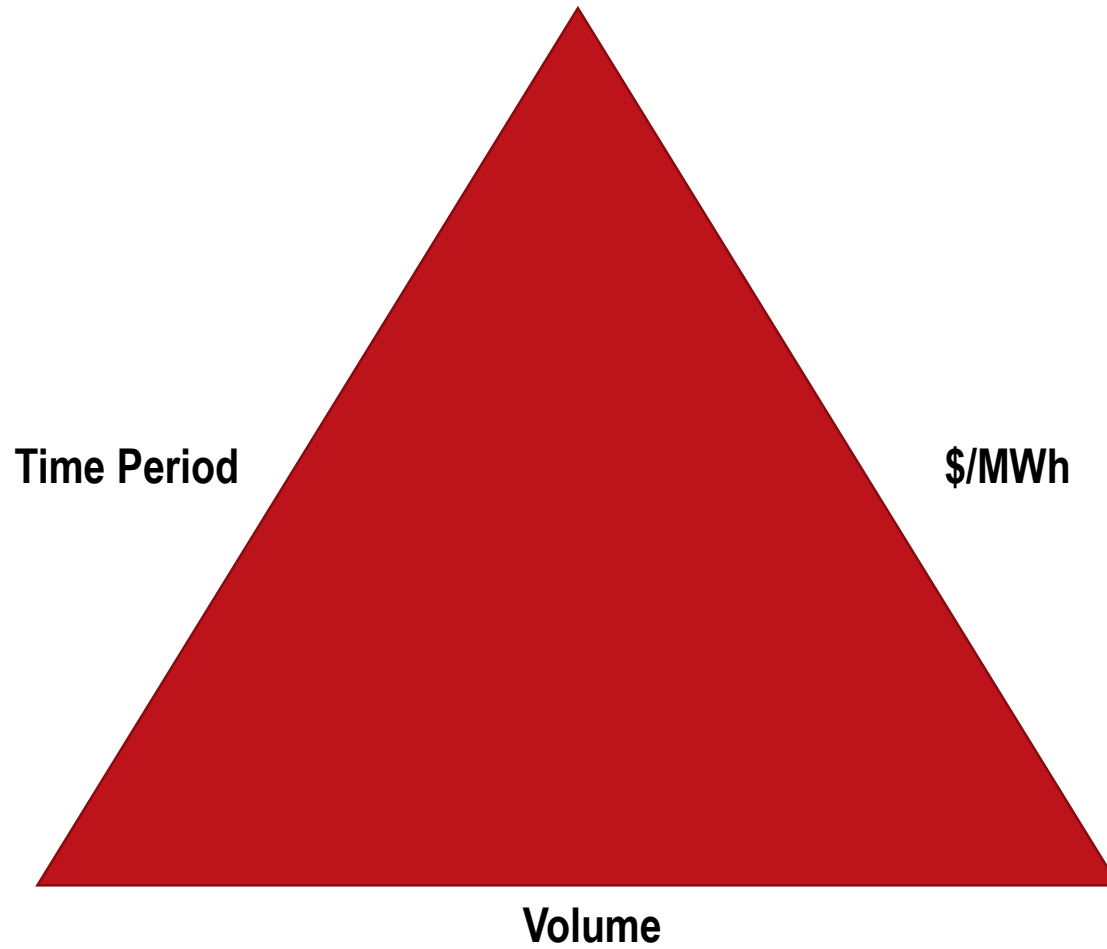

10 year
certainty

Transparency

Control

Safety in
Numbers

Triangle of Opportunity

Wind 37MW or Solar 52MW

Next Step

- Letter of Acceptance
- EOI to Industry
- Tender to Interested Parties
- Shortlist
- CEO Lunch & Announcement
- Final Sign off for PPA

- If you want to be considered for the group please speak to me in the next week
